

# 2019 Summer Newsletter

It is with great  
pleasure to share that  
CHAHRM has been awarded ASHHRA's Four  
Star Award!

CHAHRM members are comprised of a diverse group of professionals who all share and contribute to this association in ways that astound me every day. With all our contributions, we have once again been successful in being acknowledged as a Four Star Chapter. Thank you for all you do!

My message to you is this: Be sure to take a breath, a moment to yourself. We constantly help others and preach to others that they take care of themselves in order for them to be their best self. It might sound fundamental, but sometimes we need a reminder to slow down. In my experience, HR professionals are in their role because they want to help others. We look for the "broken" people and processes to try to improve and fix. Most of the time, we're actively looking for these things. I could begin to share why I believe we do this, but that's a whole other newsletter.

Back to business. CHAHRM is on point to achieve our 2019 Goals. We had a successful spring conference with CHHR, HRCI and SHRM professional development credits (PDCs) offered. Our financial status is doing well and we will be offering two scholarships this year. The survey tool continues to be utilized for members and summaries placed on the CHAHRM webpage.

For members, we're co-hosting a FREE webinar June 26th. See below and upcoming communications to register. PDCs are approved and offered for all three associations.

The Fall 2019 Conference planning is well under way. **HR: Change is the Only Constant** will be held in the Denver area this October 17th and 18th. Block your calendars. Stay tuned for conference speaker and activity information.

I look forward to seeing you in Denver in October!

Tanya, CHHR, SHRM-SCP, CEBS  
President

**P.S.** ASHHRA's chapter awards top out at four stars. CHAHRM is the BEST of the BEST!
